Franchise independently owned and operated

We ship anything anywhere!

Packing for college isn't like packing for a road trip with the folks or a day at the beach. It's you and your stuff walking into an empty dorm room and you're hoping you remembered everything.. No need to panic. This checklist can help you get it all together. There's no need to have or pack everything on the list. Let it help you remember items that many forget.

**Tip** Dorm rooms aren't spacious. Contact your roommate and coordinate what to pack.
